

COLOURS AND PATTERNS

AGORA FABRIC QUALITY

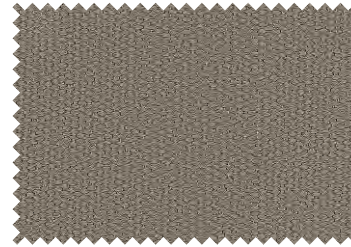

We would like to introduce you to Agora, the high-quality fabric made from 100% dope dyed polyacrylics, water repellent thanks to Teflon® coating. Agora blends quality, design and radiant colours, and has been doing so for years. The UPF 50+ UV protection is the highest grade according to the Australian standard (AS/NSZ 4399-1996).
