# Acryl Lumera

## Premium Stoffkollektion für Sonnenschirme!

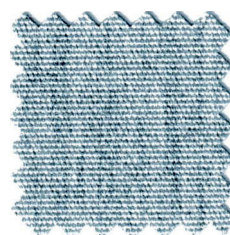

Der Markisenstoff aus 100% spindüsengefärbtes Polyacryl bietet die besten Eigenschaften für Sonnenschutzprodukte. Durch die neuartige CBA Faser (Clean Brilliant Acrylic) erhält das Gewebe eine satte, leuchtende Farbbrillanz. Es ist dank einer glatteren Oberfläche und hoher Gewebedichte weniger schmutzanfällig. Gewicht 290 g/m<sup>2</sup>, Farbechtheit 7-8, Wassersäule 460mm
